

# IEEE INTERNATIONAL CONFERENCE ON SMART AND INTELLIGENT SYSTEMS

## SISCON 2025

19-20 DECEMBER 2025

Organized by

### Marian Engineering College

Thiruvananthapuram, Kerala

**Technical Co-Sponsor: IEEE Kerala Section**

### About the Organizers

Marian Engineering College, established in 2001, is a leading institution for engineering studies in Kerala's self-financing sector. The college is proudly celebrating its Silver Jubilee, marking 25 years of academic excellence and transformative education. Affiliated with APJ Abdul Kalam Technological University and approved by AICTE, the college is situated on a sprawling 40-acre campus of Marian Educuity near prominent institutions like the Vikram Sarabhai Space Centre and Technopark. Managed by the Trivandrum Social Service Society under the Trivandrum Latin Catholic Archdiocese, the college aims to nurture professionals characterized by competence, confidence, commitment and compassion. All eligible programs are accredited by NBA. Marian Engineering College benefits from the Archdiocese's extensive experience in managing quality educational institutions. MEC has the vision to be a center of excellence in engineering education and research that fosters innovation, entrepreneurship and social responsibility.

### Call for Papers

Papers are invited from prospective authors on the topics in Smart and Intelligent Systems. Papers submitted for the conference should be based on original, previously unpublished work, experimental or theoretical, and must not be under consideration for publication elsewhere. Authors are invited to electronically submit their unpublished original research contributions in IEEE format for the conference. Call for paper details are available in the conference website :- <https://www.siscon2025.marian.ac.in/> At least one of the authors of each accepted paper must register for the conference for the paper to be included in the conference proceedings and published through IEEE Xplore.
